

NAME \_\_\_\_\_

## Farm Scavenger Hunt

This is a hunt where various things are found or experienced, and information is collected and recorded on this paper. BUT nothing is collected. Objects and animals may be touched or picked up, but please put them back in their place.

Find at least 3 animals with 2 legs \_\_\_\_\_

Find at least 5 animals with 4 legs \_\_\_\_\_

What animal has fur on the bottom of its feet? \_\_\_\_\_

Draw a goat's eye.

Draw another animal's eye.

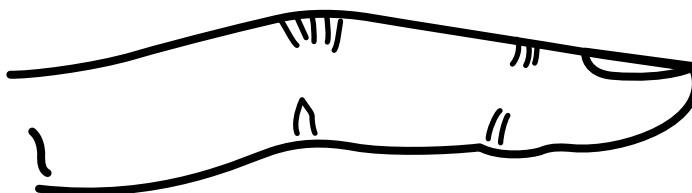

CAUTION: Goat's eat paper. You may want to go into their pen to look at their eyes but leave your paper outside.

Explain how the two eyes are different. \_\_\_\_\_

What lives under the rabbits? \_\_\_\_\_

What animal has a purple tongue? \_\_\_\_\_

Use your index finger to measure the thickness of the sheep's wool. Mark the thickness.

Find at least 4 animals with hooves. \_\_\_\_\_

Find a feather on the ground. You may keep it. \_\_\_\_\_

What bird did this feather come from? \_\_\_\_\_
