

Farm A B C's

While on the Farm or after your visit back in your classroom, you may want to make a Farm ABC Chart or book.

Walk around the Farm looking for things that start with each letter of the alphabet.

Illicit the vocabulary words from the students.

Record them on a chart or in a book.

Have students illustrate each word.

Here are some Farm ABCs to get you started:

- A. apple, alfalfa, aphid, artichoke
- B. barn, bunny, buck, bones, broccoli, beans, Black Jack
- C. cart, corral, chard, cucumber, chicken, cow, cat, compost, claw
