

How Many Feet/Legs do the Farm Animals Have?

LOOK at each animal's feet/legs. Count the number of feet/legs each animal has and write that number on the chart below. Back at class make a chart using the animals to show whether the farm animals have 2 feet/legs or 4 feet/legs.

SHEEP _____

GOAT _____

DUCK _____

GOOSE _____

CHICKEN _____

TURKEY _____

RABBIT _____

FARMER _____

Two Feet, Four Feet by Orleans

I have only two small feet,
But horses, dogs, and cows
Have four.
I can walk and run with
Mine.
So why do they need any
More.
