

## 2. The farmers want to know how many livestock animals live on the Farm.

How many horses? \_\_\_\_\_  
Count them.

How many ponies? \_\_\_\_\_  
Count them.

How many sheep? \_\_\_\_\_  
Count them.

How many goats? \_\_\_\_\_  
Count them.

How many cows? \_\_\_\_\_  
Count them.

How many pigs? \_\_\_\_\_  
Count them.

How many livestock animals altogether?  
It's time to add.

horses \_\_\_\_\_

ponies \_\_\_\_\_

sheep \_\_\_\_\_

goats \_\_\_\_\_

cows \_\_\_\_\_

pigs \_\_\_\_\_

+

---

= \_\_\_\_\_ livestock animals that live on the farm.
