

### 3. Rabbit Math

Female rabbits are called does.

Male rabbits are called bucks.

Each rabbit cage has a sign telling the rabbit's name, breed, sex, and mate.

Help the farmers find out how many female rabbits and how many male rabbits live on the Farm.

How many does? \_\_\_\_\_

How many bucks? \_\_\_\_\_

How many rabbits altogether? \_\_\_\_\_

does \_\_\_\_\_ + bucks \_\_\_\_\_ = rabbits \_\_\_\_\_

#### Brain Stretcher

If every doe has 8 babies, how many rabbits will there be altogether?

(Hint: this is a 2 step problem)

does \_\_\_\_\_ x babies \_\_\_\_\_ = \_\_\_\_\_ + bucks \_\_\_\_\_ = \_\_\_\_\_
