

## 4. Sheep Math

Male sheep are called rams.  
Female sheep are called ewes.  
Baby sheep are called lambs.

Help the farmers find out how many sheep live on the Farm.

There is only 1 ram on the Farm. His name is Black Jack.

How many ewes? \_\_\_\_\_  
Count them.

How many lambs? \_\_\_\_\_  
Count them.

How many sheep altogether? \_\_\_\_\_

\_\_\_\_\_ ram

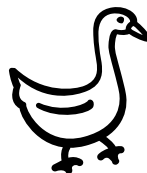

\_\_\_\_\_ ewes

+ \_\_\_\_\_ lambs

\_\_\_\_\_

= \_\_\_\_\_ sheep that live on the farm.

## 5. Pond Math

Sit by the pond. How many pond animals do you see today?

How many turtles? \_\_\_\_\_  
Count them.

\_\_\_\_\_ turtles

How many ducks? \_\_\_\_\_  
Count them.

\_\_\_\_\_ ducks

How many geese? \_\_\_\_\_  
Count them.

+ \_\_\_\_\_ geese

How many altogether? \_\_\_\_\_  
Time to add.

\_\_\_\_\_

= \_\_\_\_\_ pond animals
